

PSU 1-65 CONNECTION CABLES OVERVIEW (1/2)

PSU 1-65 with 1x GLP Dot Range fixture

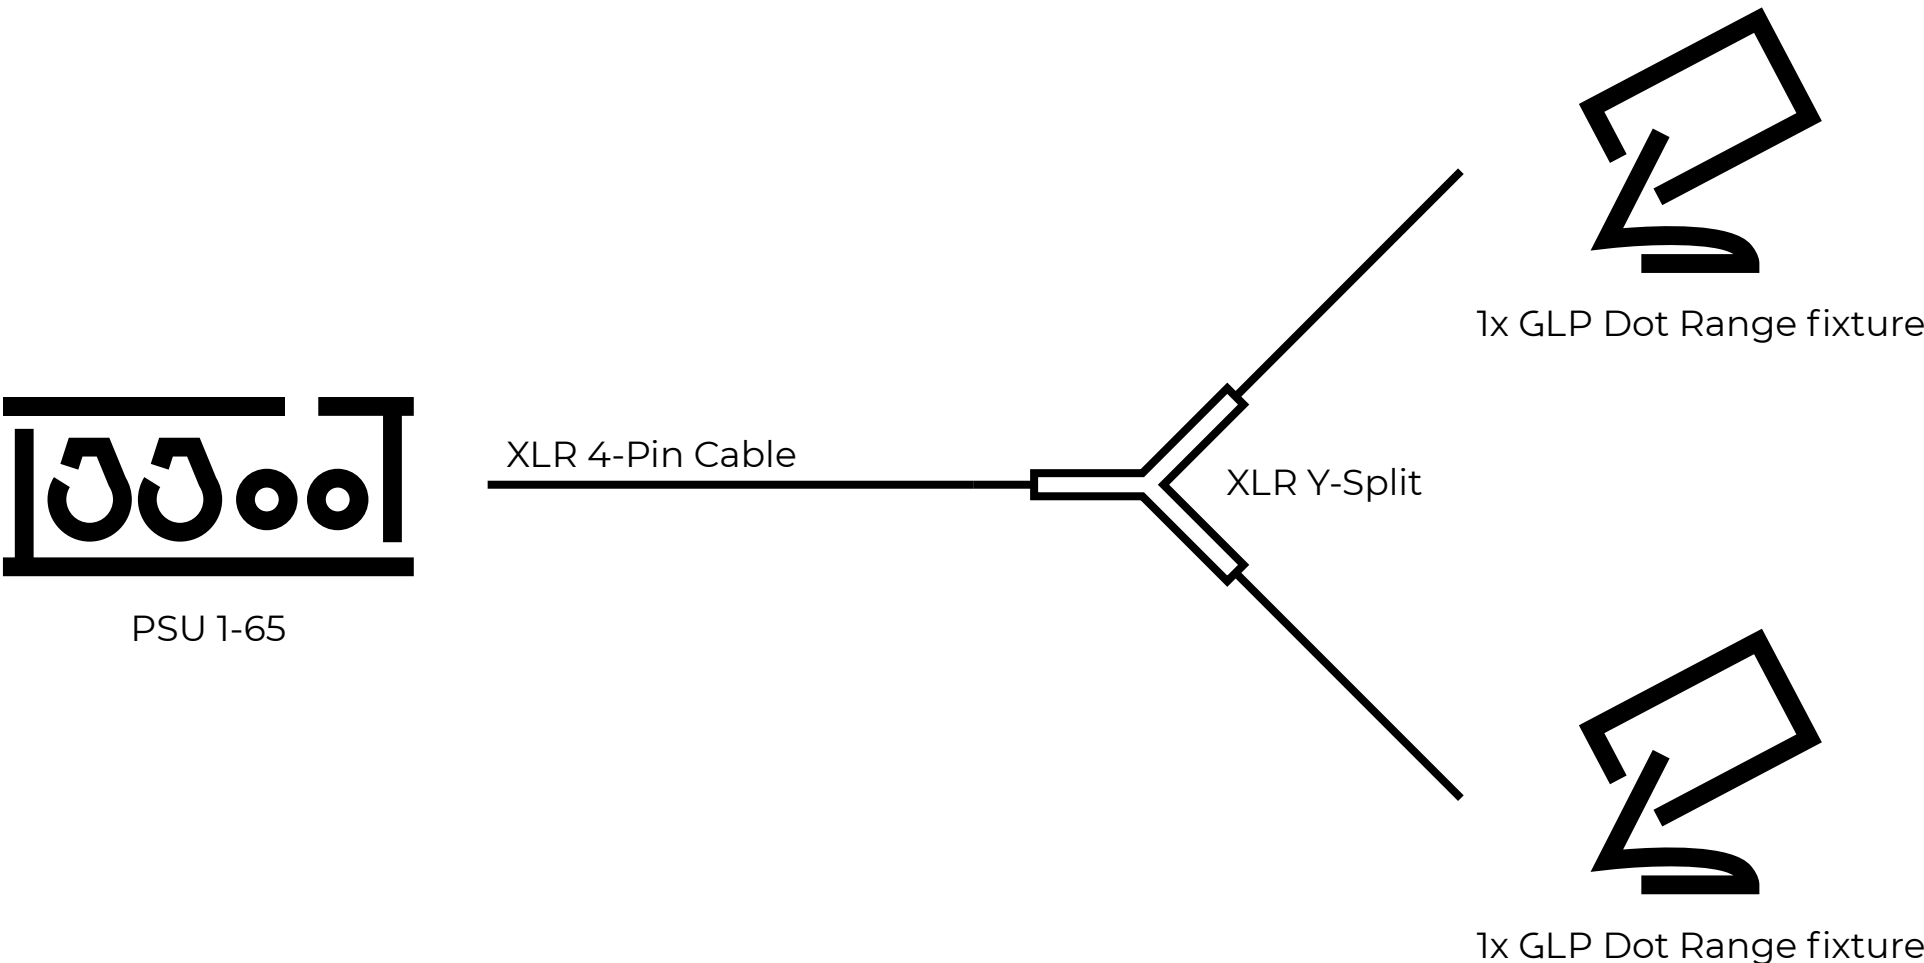

GLP Dot Range fixtures:

- X5 Dot Wash
- TW Dot Wash
- TW Dot Pinspot

Important note: We recommend linking no more than two Y-Split Cables in a single chain. On each Y-Split Cable, one branch must connect directly to a fixture; only the other branch may be extended. Extending both branches is not permitted.

PSU 1-65 with 1x GLP Dot Range fixture

PSU 1-65 CONNECTION CABLES OVERVIEW (2/2)

GLP Dot Range fixtures:

- X5 Dot Wash
- TW Dot Wash
- TW Dot Pinspot

Important note: We recommend linking no more than two Y-Split Cables in a single chain. On each Y-Split Cable, one branch must connect directly to a fixture; only the other branch may be extended. Extending both branches is not permitted.
