PSU 1-65
CONNECTION CABLES OVERVIEW (1/2)

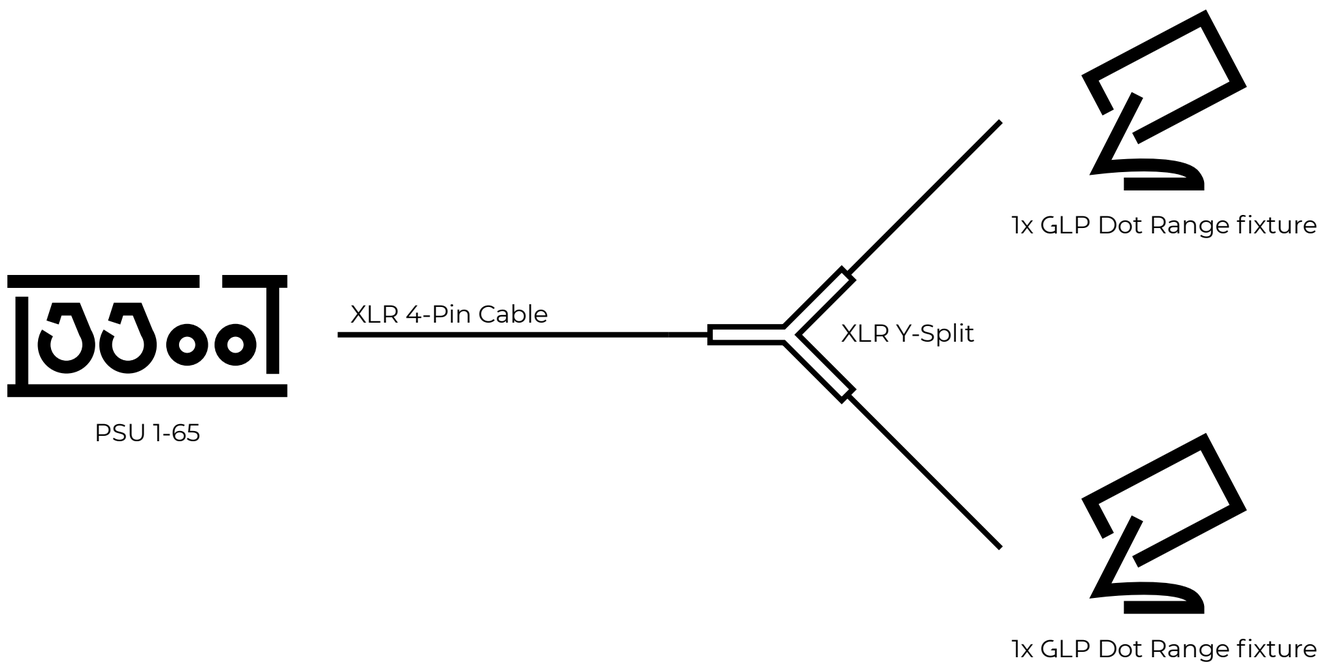

PSU 1-65 with 1x GLP Dot Range fixture

GLP Dot Range fixtures:
X5 Dot Wash
TW Dot Wash
TW Dot Pinspot

Important note: We recommend linking no more than two Y-Split Cables in a single chain. On each Y-Split Cable, one branch must connect directly to a fixture; only the other branch may be extended. Extending both branches is not permitted.

PSU 1-65 with 2x GLP Dot Range fixture

PSU 1-65
CONNECTION CABLES OVERVIEW (2/2)

GLP Dot Range fixtures:
X5 Dot Wash
TW Dot Wash
TW Dot Pinspot

Important note: We recommend linking no more than two Y-Split Cables in a single chain. On each Y-Split Cable, one branch must connect directly to a fixture; only the other branch may be extended. Extending both branches is not permitted.

PSU 1-65 with 3x GLP Dot Range fixture
